

ADMINISTRATOR'S COPY

Administration of the listening section for the 7-8 All-State Test is on CD!

- In the event of technical difficulties, administration directions are as follows:
- Administrator will count off 1 measure at the beginning of each example.
- In '4' time a quarter note = 60, in '8' time an eighth note = 80. In exercises 6-10, a whole note = 50.
- On # 6-13, the scale will be played followed by an arpeggio in root position before counting off 1 bar.
- On # 1-13, pause 5 seconds between the 1st and 2nd playing.
- On # 15-19, play each measure slowly with a 3 second pause in between.
- At the end of an example, a slightly longer pause is appropriate if needed (especially at a page turn).
- The administrator will also read the test instructions prior to each of the sections as outlined below.

If what you SEE is exactly the same as what you HEAR, mark "A" on your answer sheet. If it is different in any way, mark "B". You will hear each example two times. Follow question numbers down and then across the page. (Note to administrators: These examples do not all match the student test because it includes the answers played incorrectly.)
