

Florida Vocal Association Resource list for Musical Theatre

This list of Musical Theatre literature is provided as a resource for teachers and students as they look for range appropriate literature from that genre. When you click one of the links in this file, you will be directed to a URL where you will find the song list for that book.

When entering students in the Musical Theatre category at Solo & Ensemble MPA, this list will give you a wide choice of repertoire. Musical Theatre numbers already on the FVA List will remain, and students are only required to have one number from these lists.
